"DO NOT LET YOUR HEARTS BE TROUBLES." John 14:1.

What powerful words at this time. We must make them our own.

But to understand John 14 we need to read John 13. The apostles are sitting down to the Last Supper. It is a crazy time.

1. Jesus who is master is washing their feet.
2. He says.-"Not all of you are clean."
3. He says,- "One of you is about to betray Him."
4. He says,- "I will not be with you much longer."
5. He says, - "You can't come with me."
6. Talks a lot of death

Is it any wonder they are told confused and worried? So in next chapter He says:- "Do not let your hearts be troubled.....trust in God still and trust in me.....I and the father are one....He is in control.

Thomas as ever asks a question.....Jesus does not tell him the way nor give him directions, **basically He says get in the car with me and I will take you.** What powerful words at this time of corona.

Get in the car with Jesus and be reassured he knows where he is going.

Lots of love and prayers,
Stay safe,
Fr. Jack
