**COLLECTION.**

Thanks to all people who do standing orders. Would be great if everyone did one. Details on website. It would save the counting; going to the bank and the bank would do our accounting.  
Brilliant. And in this day of Corona much safer. Please do consider.  
*Otherwise,*  
As you enter church there will be a box by the door.

Dear Friends,  
The good news is we are opening for mass on Sunday. As you know for the pandemic there is no Sunday obligation.  
However I am sure many people would like to get to mass to receive Holy Communion.  
With social distancing we will only be able to get **50** in church at any one time. First come first served. So I would like to ask you to come during the week to avoid overcrowding. This way no one will be disappointed.

A YOKE.

A yoke is a bit of harness specially made for two particular animals. Made to fit, bespoke for the person wearing it. And so to Jesus, His yoke is light, no more than we can bear, but more important He is the one pulling and working with us. That is truly why it is light.  
As Paul says. "With God on our side who can be against us."  
Jesus is saying this to counteract the harshness of the attitude of the Pharisees. And their problem was.... They were always looking in the wrong places.  
Jesus tells us to become like little children, with humility and simplicity. Listen to Him in this trying times, "Come to me all you who labour and overburdened and I will give you rest. Learn from me for I am gentle and humble of heart."
