FR JACK

This week as we celebrate the passion of the Lord, I am sure many of you feel you are having your own passion, some more severe than others.

Let us all keep each other in our prayers and as I have so often said here, **"Do not suffer alone."**

Many people have come to have a chat, outside, in church or wherever and I do believe, we all are the stronger for it. No magic solutions but like Jesus on the way to Calvary met different people: Veronica, his mother, the women of Jerusalem, Simon of Cyrene, even the soldiers; all different encounters, some brutal, some helpful and others helpless, **but caring.** We probably all feel a bit like that today, helpless but caring, just don't do it alone. Jesus on the cross could not even give himself a drink; helpless but caring.

It was then He saved you.

Good to see so many people coming back to church and a **sincere thanks to our stewards whose dedication continues to allow us to keep our church open.**

I hope your faith is an immense support to you now. We don't have all the answers but God has. Stay close to Him.

The Passage's mission and work is developing to cope with more people becoming homeless it is raising funds through the Big Give until Wed 31st March to support **No Night Out** a new initiative to take newly homeless people off the street straight away.
