FR JACK

"After Paul and Barnabas had proclaimed the good news to that city and made a considerable number of disciples, they returned to Lystra and to Iconium and to Antioch.

They strengthened the spirits of the disciples and exhorted them to persevere in the faith, saying, "It is necessary for us to undergo many hardships to enter the kingdom of God."

They **appointed elders for them in each church** and, with prayer and fasting, commended them to the Lord in whom they had put their faith."

This reading today from Acts, is a very good model of how the church could/should work in any/this parish.

People who will agree to take responsibility for different ministries and will be faithful. Great things happen in this parish because of a few people. Just imagine how much more effective it would be with everybody doing something. Are you up for it?
