Job Opportunity

The Society of Friends of Westminster Cathedral is seeking a part-time Co-ordinator to assume responsibility for the day-to-day running of the charity. If you have strong interpersonal and organisational skills, coupled with the ability to work on your own initiative to implement the plans and actions determined by the charity's governing Council and its subcommittees, this role may be of interest. You will be a good communicator, able to sustain engagement with our members through personal contact, written and digital channels. In addition to being able to plan and execute a range of fundraising events, you will have a keen eye for detail, enabling you to deliver the exacting level of administrative support needed for a successful membership organisation. FR JACK

The beauty of God is in relationship. Not the father implementing draconian laws or the son being a proud know it all, because of his pedigree.

No, it is in their unity of spirit and purpose which ironically is us. Creating a wonderful world for us and showing us how to treat each other. The more we listen and act the more we become like them' creating a beautiful world for the better of all people. Creating a spirit and atmosphere of love which is nothing other than God himself in the person of the Holy Spirit.

You see Jesus became man in order to participate in our human condition and transform it from within.

And the father's only desire is that we share his happiness. But we have got to make his words our own.

As Paul says; - "I live now, not I, but Christ lives in me." And it is only when we make it our own will it become the driving force in our life. Because happiness is an internal job and we can only enjoy it in relationship.

UBUNTU-----HOW CAN I BE HAPPY IF MY BROTHERS AND SISTERS ARE NOT HAPPY.
