### Black Thrive

Black Thrive is an organisation focusing on mental health issues impacting communities in Lambeth and Southwark.

Jadi-Ann from Black Thrive, is a community development worker who engages with people living in Southwark to understand their experiences of managing their mental health, and ensure that they are given information on services they can use, free of charge.

She will be coming to St James' on June 19<sup>th</sup> to give a short presentation during each of the four services and to hand out flyers.

### Day for Catechists

Owing to the RMT rail strikes, the Diocesan Day for Catechists had been postponed. It was due to take place next Saturday, 25 June 2022, for the first time since 2019, however for most catechists, travel to the Cathedral will be impossible on that date.

The Day for Catechists will instead now take place on **Saturday 12 November 2022**.

New registration forms will be sent out in September ahead of the new date.

If you can go to this event on 12<sup>th</sup> November and you are willing, please give Paula or Fr Jack a ring to let them know.

### FR JACK

I am not often stuck for words, but last week must go down as the mother and father of all parish days.

Just shows you what can be done with everyone pulling their weight and everybody contributing.

You did me proud, everybody was impressed and I believe enjoyed themselves as well. And God, himself was not to be outdone in generosity.

A day to be remembered.

But I fear for who can organise next year.

The obvious answer is we keep the DQ on.

Do I hear you say yes?

The food, the music, the barbecue, the drinks, the planning, the organization, the clean-up, just everything.

My family and friends were delighted, but now no longer feel sorry for me. In fact, they envy me.

And I also hope you feel very proud and happy to belong to St James'. This is faith in action.

### "LOVE CHANGES EVERYTHING."

One priest had the audacity to ask me when I was retiring. And he was not thinking of my well-being???

To one and all, big hugs and kisses, all around.

Let's continue to build. Proud and happy to belong to St James' and for your very generous gift. Be blessed.

*Every day the human heart creates enough energy to drive a lorry for 32Km. We can shift the world with Love.*
