CAFOD

Did you know that CAFOD, the Catholic Agency for Overseas Development, helps some of the poorest and most marginalised people across the world? We can reach so many people because we are a member of *Caritas Internationalis*, the Catholic Church network with a presence in 165 countries. Our local experts work with people over the long-term, helping them to have the right skills, tools and opportunities to live with dignity and support their families. For example, in South Sudan we are helping families learn how to farm better as the climate gets hotter, so that they can cope better in the future when things get even more difficult. Thank you for your support.
Celeste and Sarah, CAFOD Community Participation Coordinators in Southwark.

Apprenticeship at the Archdiocese of Southwark

The Archdiocese of Southwark are seeking an apprentice to work within the Fundraising & Gift Aid team in their central offices (located Lambeth North). If you, or someone you know, would like to earn a level 3 Business Administrator Standard whilst working within a hardworking and passionate team, supporting the work of the Catholic Church in South London and Kent, please find out more by visiting: <https://www.rcaos.org.uk/fundraising/apprenticeship>

Today we welcome **Fr Brian Oswald** MHM to promote the RED BOX. Many families have one, but many more I am sure will be very happy to help. I have no doubt you will give him a fantastic St James' welcome.

Together we are helping missionaries share the love of Jesus overseas

For almost 200 years, we have been supporting world mission, providing missionaries with the spiritual and material support they need to enable local people to build and sustain their own faith communities. Today we continue to empower the Catholic Church globally, showing the love of Christ to everyone, and especially to those in need. We achieve this with our partners, the **Mill Hill Missionaries**, and your **generous Red Box donations**.

In England and Wales there are Red Boxes in over 200,000 homes and together we have collected millions of pounds for the missionary Church.

Today Missio makes an impact in 1,070 mission dioceses in 157 countries. Through your support we transform lives by listening to local needs and acting in the most effective way: we create infrastructure in impoverished and remote areas; we help to build chapels, schools and orphanages; we facilitate clinics and dispensaries; and we create hubs from which the young church can flourish and grow. All of this was initially made possible by the vision of one inspirational woman,

Pauline-Marie Jaricot

founder of the Association
for the Propagation of the Faith (APF)

In 1822 Pauline motivated people to donate one penny a week to support overseas mission. The vast scope of our missionary work today is a tribute to you, our present-day donors, whose continued generosity through the Red Boxes enable us to continue God's mission. You can keep up to date with news from the mission field through *Mission Today*, our quarterly magazine for supporters. Could you support Missio today?
