Congratulations to Debra Louis and Thaddius Edwards who celebrated the sacrament of marriage. We wish them many years of happiness.

Fr Boniface Arap from Uganda should have been with us from 15th July to 15th August, while I was on holiday, unfortunately he is still unable to get his visa.

FR JACK

Hope many of you had a chance for a break of some sort or other, whether in sunny Peckham del Sol, or away from Peckham with family or friends.

I just had a very nice break in Ireland while still celebrating my Jubilee. All the family are well.

Thank God.

Today's readings bring us back to reality with a bump.

Look into your own heart and what do you find there?

Like the first reading, are you looking for a lot of vanities/wealth, things that pass?

What do I really want out of life?

Whatever it is, share it. Support

others. Build relationships. Do not be greedy.

Remembering; "It is in giving that we receive."

***Our life is as it is...
as a result of what we think.***

Community Formation Project

The Art of Dying Well Centre at St Mary's University.

This project seeks to train members to become end of life companions for hospital, hospice, care home and parish settings. The SVP will be putting on a series of free online 'taster sessions' for parishioners who are thinking of becoming involved in 'end of life companionship', as well other apostolates which support the local community, such as 'community formation', 'support with fuel poverty', 'offender care', 'care for young families', and 'support for refugees and migrants'.
