FR JACK

"Thanks" such a lovely word and we all love to hear it. Pope Francis said three very important words are: **please, thanks and sorry**. Today we don't see much thanks in the Gospel. Ten were cured, one said thanks. In the life of a Christian we should not be disappointed not to be Thanked. Jesus is not thanked by nine. Jesus says:- "to give without counting the cost." And it is not always easy.

Give, give, give?? When last did you thank your mum, your dad, your teacher, your priest, your boss, your employee, Your God? Eucharist means THANKSGIVING. So, we come to mass every week to give God thanks, on our own behalf and on behalf of the world. You may not feel great about it but you know it is the right thing to do.

Not being able to do everything is no excuse for not doing everything you can.
