Many people organise things in the parish but get very disappointed when people don't answer their phone messages, please at the minimum acknowledge the message.

FR JACK

Jesus Christ is King of kings and Lord of lords. His ultimate desire is to be **King of our Hearts**. He is not a dictator king but, dare I say a benign king. He cares about each and every one of us and wishes for nothing but our complete good here on earth and there after in heaven.

He wants to be king of our hearts.

Is Christ present in your life?

As Paul says;- "I am patient and kind. Never jealous, arrogant or boastful. Always ready to forgive, rejoicing in the wellbeing of others. I do not take offence and am not resentful. Love takes no pleasure in other people's sins but rejoices in the truth. Love does not come to an end." ***How did you do?***

Today spend a little time cultivating relationships offline. Everybody is not on line or social
