FR JACK

Worthiness results in being loved not from just achieving. I am wonderful because God is wonderful. Today's readings are full of some powerful words. Check them again **integrity, faithfulness, justice, peace, tolerance**, produce appropriate fruit. When these virtues are in us people notice and we become the presence of God in our work place, in our schools and in our lives. If they are missing or a bit dormant Advent is a great time to resurrect them again. Tuesday we have a penitential service here in our own church at 7pm. Please use it to appreciate why Jesus came into the world. Then and only then will we be able to say with the mystic Julian of Norwich, **"All shall be well, and all shall be well, and all shall be well."**
