Sincere thanks to Sophie and Felisha for working with these families now and over the years. Would you like to help for next year?

Fr Jack

How is your prayer life doing? I am sure we all worry about our ability to pray from time to time and we worry about our own sincerity, I know I do.

Chapter 14,15,16,17 of John's Gospel is known as the Priestly Prayer of Jesus. Jesus's prayer for the world before He goes to the Father. Looks very straight forward, factual and is Jesus sharing with his Father what He wants. He is more or less telling God that he came and did what He requested. So now you keep your side of the bargain and take me back to heaven. I love it. Read it again and let it help you in your prayer life.

To do great things is difficult, but to command great things is more difficult.

Did you know

That Church teaching says that we should not only support those in poverty but also tackle the root causes of poverty? Pope Benedict XVI said that "Love – caritas – is an extraordinary force which leads people to opt for courageous and generous engagement in the field of justice and peace." For decades CAFOD has spoken out against injustice. To find out more and get involved in tackling the root causes of poverty, please go to cafod.org.uk/latestcampaigns
