POPE FRANCIS

The Kingdom of Heaven is the opposite of the superfluous things that the world offers; it is the opposite of a dull life: it is a treasure that renews life every day and leads it to expand towards wider horizons. Indeed, those who have found this treasure have a creative and inquisitive heart which does not repeat but rather invents, tracing and setting out on new paths which lead us to love God, to love others, and to truly love ourselves. The sign of those who walk this path of the Kingdom is creativity, always seeking more. And creativity is what takes life and gives life, and gives, and gives, and gives. ... It always looks for many different ways to give life.

Jesus, who is the hidden treasure and the pearl of great value, cannot but inspire joy, all the joy of the world: the joy of discovering a meaning for one's life, the joy of feeling committed to the adventure of holiness.

Nothing is more important than this day. You cannot relive yesterday.

Tomorrow is still beyond our reach.

Pray as if everything depended on God Work as if everything depends on you.
