## POPE FRANCIS ON THE TRANSFIGURATION.

Brothers and sisters, this Gospel traces a path for us too. ... In fact, it is by staying with [Jesus] that we learn to recognize on his face the luminous beauty of love he gives us, even when it bears the marks of the cross. And it is in his school that we learn to glimpse the same beauty on the faces of the people who walk beside us every day — family, friends, colleagues who take care of us in the most varied ways. How many bright faces, how many smiles, how many wrinkles, how many tears and scars reveal love around us! Let us learn to recognize them and to fill our hearts with them. And then let us set out in order to bring the light we have received to others as well, through concrete acts of love (cf 1 Jn 3:18), diving into our daily affairs more generously, loving, serving, and forgiving with greater earnestness and willingness. The contemplation of God's wonders, the contemplation of God's face, of the Lord's face, must move us to the service of others.

### MISSIO

Many of you have a missio box or better known as the red box, where you put your loose change from time to time. This is to help the spread of the Gospel world wide. Last year here in the UK we collected £3,741,422. Nearly four million. Amazing and usually just form copper. Thank you very much.
