Fr Jack

"Forgive us our trespasses as we forgive those who trespass against us."

We may say the above prayer many times a day but still think we can go on not forgiving. "Well it is only one person," I hear you say. Thank God you are not fighting with the whole world. But that is the one person you are meant to forgive. Jesus did not say forgive most people. He meant everyone and that is a recipe for heaven. But also very important, if I don't forgive, I may get a heart attack, probably shorten my life with the weight of the burden or guilt. **Forgive and let go.** And enjoy the freedom of God's children.

Great works are performed by perseverance and not by strength
