## FR JACK

I hope many of you have found the perfect wife. But I also hope many of you ladies have found the perfect husband. If we live for the others either as a wife, husband, single person or priest, then I believe we will not be far from the Kingdom. The story of the talents is very much about using our gifts, again for others. The central tenet of our faith is the incarnation, that God became man, flesh and blood. This is revolutionary stuff. God walking among us, what worries me as a priest is that we are trying to find him in words. Talking, preaching, words, words, words. texting, emails even praying.

*Let us find God here and now in each other especially the marginalised.*

## WORLD DAY OF THE POOR

**Sunday 19<sup>th</sup> November 2023** is the 8<sup>th</sup> "World Day of the Poor". This year Pope Francis's message is "...whenever we encounter a poor person, we cannot look away, for that would prevent us from encountering the face of the Lord Jesus". Pope Francis reminds us that the parable of the Good Samaritan (Luke 10:25-37) is not simply a story from the past but continues to challenge each of us in the here and now of our daily lives. "It is easy to delegate charity to others, yet the calling of every Christian is to become personally involved".
