## The Holy Spirit

This gift of knowing the Spirit, of being able to love as God does, is the same gift we need today. We see the world on the brink of destruction, yet we are too often apathetic about it. We hear of wars and famines, yet we choose to ignore them. We watch the earth degrade around us, and we simply adjust our thermostats. Too many of us just want to be left alone, not bothered by someone else—not even God—making demands on us. All of this is evidence of something missing in our lives, and reveals that we do not really know the Holy Spirit. **Richard Rohr**

**FR JACK**

The above is from my mentor Richard Rohr and is a great challenge to us. Last week we received the Holy Spirit.

I asked for your response to four issues in the newsletter. I got one phone call. Please people let us wake up. This is our world. People asked, "What should I do." Get together with like minded people and discuss. From an acorn grows a great oak..

## Food Projects Gathering
