## Fr Jack

Today Paul has a terrific surge of energy, or inspiration:

"Nothing can outweigh the supreme advantage of knowing Jesus Christ."

If only we could make this view our own. For most of us, it will not happen overnight, it may be a slog, but a worthwhile slog.

And Paul gives us the secret for those who are interested: Enjoy life, but see it for what it really is, enjoy it and help others to enjoy it.

The perfection that comes not from the law, but from knowing Jesus Christ and the power that comes from being filled with His spirit.

Yes anyone who claims to be Christian should have moved beyond the law of having to do things and be driven by a love and care for people; that we wish for them, all of them, what we wish for ourselves.

The joy is in the journey.

**When everything is coming your way, you are in the wrong lane.**
