Fr Jack

For those who believe, no proof is needed.

For those who do not believe no proof is adequate.

Today's feast of the Resurrection is not on trial. **You are.**

The Resurrection has survived for 2000 years and will for many more.

Where will you be?

Looking into the depths of your heart, what do you find?

You see the miracle of healing comes from inside.

Happiness is an internal job.

How many times has our body healed itself.

Remember, the only thing that separates you from God is the thought that you are separated - Your own inadequacies.

Life does not have to be perfect to be wonderful.

Golf does not have to be perfect to be wonderful.
